<p align="center"><b>Food for Thought</b> <b>Shabbat Hagadol</b></p> <p><i>Shabbat spoke before Hashem: "All creations have a partner except me". Answered Hashem, "Your partner will be Knesset Yisrael." When did this happen? When Klal Yisrael did their first mitzvah as a nation. That mitzvah was taking the Korban Pesach. It is at that time that Shabbat received its partner and it is therefore called Shabbat Hagadol.</i></p>
